**Kings Park Rocks**, is an annual event in Kings Park, welcome to all. This year we are featuring *Back to the Eighties Show with Jessie’s Girl Band*. *Jessie’s Girl* has a tremendous following, is known all over Long Island and beyond and will surely bring a lot of positive attention to Kings Park. It is a tremendous show packed with enthusiasm and feel good memories. Our warm up performance will feature Kings Park’s own Gary Pumilla on his acoustic guitar and Donna Marketta and The Parade. We encourage concert goers to bring their beach chairs, their families and friends, settle in and get ready for a great evening of music and fun under the stars! Food and refreshments will be available for purchase or concert goers can bring their own.
