Inaugural Golf Outing

Please join us for our Inaugural American Legion Post 944 Kings Park Golf Outing, which will be held on Monday, August 8, 2022 at Smithtown Landing, 495 Landing Avenue, Smithtown, NY 11787, with the after-golf luncheon to be held at Shanahan's, 515 Old Dock Road, Kings Park, NY 11754. We are anticipating a large response to this event so please make every effort to respond to this as soon as possible to ensure your foursomes make it in.

The Donald C. Munro American Legion Post 944 Kings Park is proud to host our inaugural golf outing. In 2023, the post will mark its 100th year serving veterans and our community. The American Legion was built on four basic pillars that are the foundation of our purpose:

- 1) To promote 100% Americanism
- 2) To promote welfare and prosperity for our children and youth
- 3) To defend our national security
- 4) To promote and defend rights of veterans and rehabilitation.

For nearly 100 years, the American Legion has worked with our local schools, community organizations, and veterans in providing a better way of life for our community as a whole. Within our organization's preamble, a portion states,

"...To promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom, and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness."

Please join us at our Inaugural Golf Outing to help support our organization in continuing to provide these valuable assets to our community. Thank you for your support, good luck, and "hit em straight!" We look forward to seeing everyone.
